SKILLS

PROGRAMMING

Advanced

- Html
- Css
- Javascript
- React
- Redux
- Responsiveness
- Sass

Intermediate

- Bootstrap
- Tailwind
- Typescript
- Nextjs
- Angular

Familiar:

- JQuery
- MongoDB
- Framer Motion
- Gsap

COURSEWORK

UNDERGRADUATE

Data Structures and Algorithms

Operating systems

Object Oriented Programming

EXPERIENCE

TECHDEW UX DESIGN PVT. LTD. | UI DEVELOPER

May 2022 - Aug 2024 | Tutucorin, Tamilnadu

- At Techdew, I am a dedicated Front-End Developer specializing in **React** and **Next.js**. I excel at developing responsive web applications that prioritize user experience and performance optimization. I play a key role in project development, focusing on effective team collaboration and delivering high-quality solutions.
- Led the development of a comprehensive training program for junior developers, resulting in a 30% reduction in onboarding time and enabling faster project contributions from new team members.
- My approach includes creating modular and reusable front-end components using React, streamlining development processes, and reducing time. I ensure robust cross-browser compatibility and optimize applications for seamless performance across platforms.
- Conducted comprehensive code reviews for **15+ projects**, providing actionable feedback that elevated coding standards; maintained consistency across the codebase, resulting in a 20% reduction in deployment errors.
- Utilizing version control systems like Git, I ensure efficient code management and collaborate effectively with back-end developers to seamlessly integrate front-end and back-end functionalities.

PROJECTS

STUDENT MARKSHEET MANAGER | [\[LIVE LINK\]](#)

HTML | Sass | Nextjs | MongoDB

- **Developed** a comprehensive student marksheet management web app for educational institutions using **HTML**, **CSS**, **Next.js**, and **MongoDB**, facilitating efficient tracking and management of student performance records.
- **Implemented** dynamic features for real-time data entry and retrieval, allowing educators to seamlessly update and access student marksheets, thereby enhancing the accuracy and timeliness of academic reporting.
- **Optimized** the user interface for intuitive navigation and ease of use, ensuring educators can manage marksheets with minimal effort and maximizing overall user satisfaction.

PROTOTYPE PROJECTS

- **Developed** 15+ Prototype Projects: Successfully created a variety of prototypes demonstrating expertise in front-end development using HTML, CSS, JavaScript, React.js, and Next.js. These projects span across different domains, showcasing adaptability and innovation in solving complex problems.
